March 2008

Dear

The Massapequa High School Lacrosse Booster Club is a not for profit club that was organized on behalf of the students in Massapequa that play lacrosse for grades 7th through 12th. The purpose of this club is to enhance this great sport on the school level. We accomplish this through fundraising.

We have found great success in the past by hosting an evening for the parents and friends of our lacrosse players. This event will take place on Friday evening, April 18th, 2008 at the American Legion Hall Post 1066 in Massapequa.

At this time we are asking for a donation to be used in a gift basket to be raffled off as part of our evening of fun. We will publish our thanks to you in our 2008 Journal, which will be distributed in June.

Thank you.

Sincerely,

Nancy Romano, Co-President

Chris Hurst, Co-President
